**Artisan Show Policies:**

All artists are encouraged to demonstrate the creation of their products as well as display and sell. Sales tax is the sole responsibility of the artisan.

**Who May Show:**

**Artisans:** Items must be handmade and/or designed by you, the seller. You may also have shop members that help you run your business, as long as you, the seller, are making and/or designing your items.

**Makers:** A maker is a seller who is physically making the items listed for sale in their shop. A maker might design their items in addition to making them, or they might follow a pattern or template that they did not design. Regardless, makers must be making their items with their own hands (or tools).

**Designers:** A designer is a seller who has come up with an original design, pattern, sketch, template, prototype, or plan to be produced by in-house or with a production partner.

**Vintage Sellers:** A vintage seller must sell items that are considered vintage and collectable.
